

# PREPARING FOR SUMMER 2025

Here are some essential resources and key actions for year-end wrap-up, supporting summer learning, and a strong launch for the 2025–26 school year.

## **Important Dates & Deadlines**

Date	Event	Details
July 31, 2025	EOY Assessment Window Closes	All assessments given before August 1 will use the 2024–25 End-of-Year (EOY) cutlines.
		<b>TIP</b> : Download scores after each assessment if assessing multiple times this summer.
July 31, 2025	Deadline to Retain Historical Data	<b>Teachers</b> : Refer to the <u>Retaining Historical Data</u> article to download any reports, data, and recordings you want to save.
		<b>Admin (NEW):</b> Download any files you want to retain from the "District-Wide Results" card in your Admin Dashboard.
Aug 1, 2025	Amira Platform Rollover	All teacher and admin-level reports from the 2024–2025 school year will reset. Any usage/data between August 1 and your roster migration will not be transferred.
Aug 4, 2025	Begin BOY Assessments	Assessments given on or after this date will use BOY cutlines. Please ensure assessments are assigned in the newly re-rostered platform for BoY Assessment.
Aug 4, 2025	Student Experience Upgrade Available	Upgraded student experience available for re-rostered districts.

## **Summer School**

#### [Summer School Guide]

### Rostering Directly via Clever or Classlink:

- No rostering needed if schools/classes stay the same.
- For new sites or classes, have your Tech Lead email: <u>rosteringsupport@amiralearning.com</u>

#### Rostering via HMH Ed:

- How do I roster in HMH Ed?
- How do I assign Amira to my class?
- For HMH-specific help, email: rostering@hmhco.com

#### **Summer Resources**

Click <u>here</u> for resources to encourage Amira usage over the summer including **posters**, **trackers**, **reading logs**, and **letters for families**.

# **Need Help?**

Ask the **Amira chatbot** in the bottom right corner of your dashboard, or <u>e-mail support</u>.
