Amira Champions
School Year Planner

1. Build A Vision	
Purpose: Define what success with Amira looks like at your school.	
Describe Your Vision • What is your vision for Amira in your school or district? • Describe how Amira will enhance reading instruction and support student growth.	
Set Clear Goals • Who will use Amira? • Weekly goals? • Target growth metrics?	
Share Your Vision • How will you communicate this vision to staff and leadership? To students? To families?	

2. Empower & Support Teachers	
Purpose: Ensure teachers feel confident and supported in using Amira effectively.	
Provide Training • Who needs training? • When and how will training happen?	
Plan A Strong Launch • Launch date? • Assessment start date? • Kickoff activities or events planned?	
Offer Ongoing Support • How will you support hesitant teachers? (*Peer Support Planner*) • How will you prepare teachers to troubleshoot common challenges?	
Use Data & Reports • Plan for introducing teachers to reports? • Cadence for data check-ins or PLC discussions?	

3. Drive Engagement & Monitor Progress

Purpose: Build consistent usage, troubleshoot roadblocks, and share wins.

Track & Encourage Usage ● How will you track usage? ● Incentives or celebrations? ● Strategies to build excitement and momentum? (Ex. shoutouts, newsletters, success stories, reading competitions)	
Monitor Progress ● Which reports or data will be monitored regularly? ● How often will you review school-wide data?	
Celebrate & Share Success ● How will you share progress with staff and leadership? Students? Families? ● Ideas for celebrating successes?
