

Student Conference Notes

Student: _____

Date: _____

☐ Observed student with Amira.

1. What goal would you like to set for (this week/next week/this month, etc.)? Why do you think that's a great goal for you?
2. What are you learning with Amira? Is it the same or different from what we've been learning in class?
3. What's something you want to work on when you're reading with Amira this week? How can I help?
