ISIP™ Oral Reading Fluency in English

Student Access Guide (Power Path)

Ver en **español**

ISIP Oral Reading Fluency (ORF) is a cutting-edge assessment that uses voice recognition technology to automatically measure oral reading fluency for elementary students. Included with Istation Reading and Istation Español subscriptions for K-5 learners, this assessment can be administered in less than 10 minutes. Each session consists of three short passages, each lasting 90 seconds or less. Use this guide to get started.
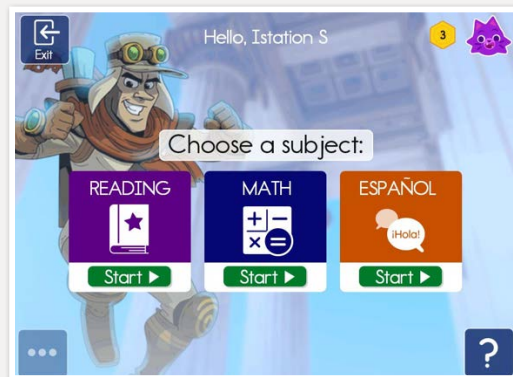

Logging In Option 1 — Using the Istation Application

1) Log in to the student application. Select Istation Reading.	
2) Press the three dots in the bottom left corner of the product submenu. Select the **ISIP ORF** icon.	
3) Select **GO** on the pre-ISIP pop-up. This will automatically open the assessment in your default web browser.
