

## REMOTE PROCTORING WAIVER

Per 6.10.7 NMAC, all state and federally required assessments and required screeners must be administered on school grounds or at another LEA-identified official location.

This request is currently only applicable for Amira (BOY, MOY, EOY).

The decision to allow remote administrations of Istation's ISIP for the purposes of progress monitoring and all interim assessment administrations is left to the discretion of a district or charter school.

Once completed, this form should be emailed to: [ped.assessment@ped.nm.gov](mailto:ped.assessment@ped.nm.gov) and [Mireya.Gonzalez@ped.nm.gov](mailto:Mireya.Gonzalez@ped.nm.gov)

### DTC Information

**Date of Submission:**

**School District/State Charter Name:**

**DTC Name:**

**DTC Email:**

- ☐ Request to allow K–2 student(s) to test remotely using a remote proctoring plan (e.g., Zoom video or parent-aided proctoring coordinated by a qualified test administrator). This request only applies to Amira.
- ☐ Request to allow a Kindergarten student(s) to be observed remotely using a remote proctoring plan (e.g., Zoom video or parent-aided proctoring coordinated by a qualified test administrator). Districts and charter schools bear the responsibility of communicating directly with families.

***Please provide a detailed rationale for why students must be tested at a non-district location:***

***Please describe your remote proctoring plan that includes adequate video and bandwidth requirements via internet or broadband:***

**PED Decision:**      *Approved*      *Denied*

**Denial Rationale (if Applicable):**
