

Idaho IRI with Istation for Grades K-3

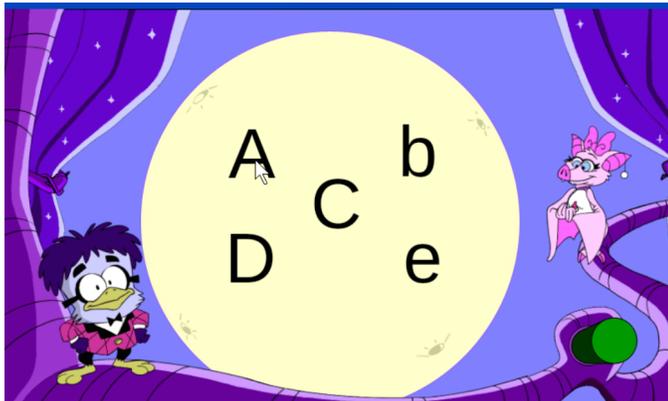

Students have different areas of strengths and opportunities for growth, and it is important to understand how your child performs in specific learning areas or skills/domains. This helps teachers know which skills to build and where to focus their support.

Istation Early Reading Subtest Descriptions

Phonemic Awareness (Grades K, 1)

The Phonemic Awareness subtest measures the ability to recognize the beginning sound of a word presented orally and to blend phonemes (the smallest spoken parts of language) into a word.

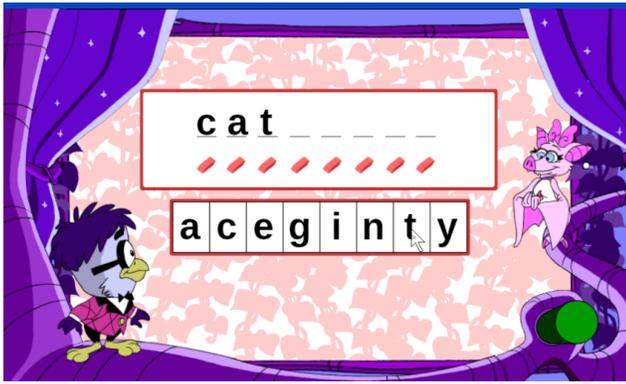

Letter Knowledge (Grades PK-1)

The Letter Knowledge subtest measures the ability to identify the symbol for a letter's name and its sound.

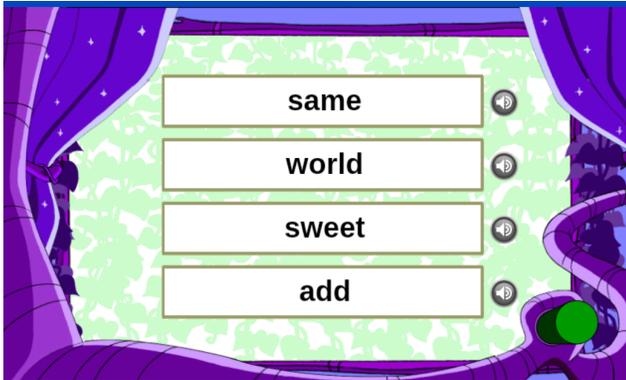

Alphabetic Decoding (Grade 1)

The Alphabetic Decoding subtest measures the ability to apply Letter Knowledge skills to identify non-words that are pronounced by the narrator.

Spelling or Word Analysis (Grades 1-3)

The Spelling subtest measures the ability to apply Letter Knowledge and Alphabetic Decoding skills to correctly spell words.

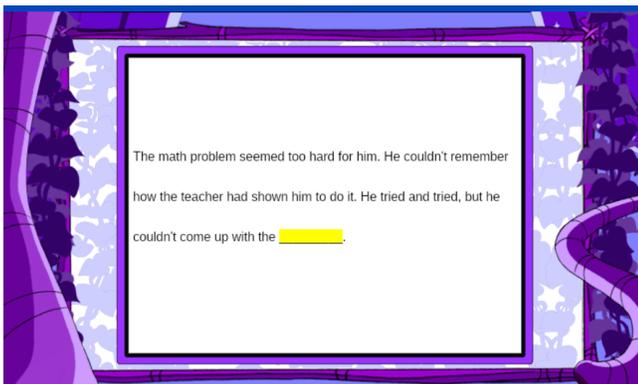

Vocabulary (Grades PK-3)

The Vocabulary subtest measures knowledge of word meanings by identifying pictures, synonyms, and definitions.

Listening Comprehension (Grades PK-K)

The Listening Comprehension subtest measures the ability to listen to and understand grade-level sentences and paragraphs.

Reading Comprehension (Grades 1-3)

The Reading Comprehension subtest measures the ability to read and understand text.
